Benefits of Membership

Influence Policy

Partner with CalHEP in advocating for sound viral hepatitis policy. Join CalHEP in supporting policymakers with education, analysis, and evaluation of legislative issues.

Attend Meetings & Events

Attend annual CalHEP meetings in Northern and Southern California to share information and take action on current issues in viral hepatitis policy.

Hepatitis B and C Advocacy Day
Northern California Meeting

Use CalHEP's Website (www.calhep.org)

Join more than 80 member organizations on CalHEP's website. By linking your home page to CalHEP's member page, you will increase awareness about your organization and services.

Keep Up With Policy Changes

Stay in the know with CalHEP updates on legislative activities about hepatitis and related issues.

Benefits of Membership

Get Member Updates & News

Promote your local efforts, highlighted side-by-side with state and national hepatitis news. Access national, state, and community viral hepatitis resources.

Connect to the Viral Hepatitis Community

Plug in to the viral hepatitis community and keep up-to-date on activities and news through CalHEP's monthly newsletter and website updates.

Select Your Membership Level

Full Membership: This voting membership level is open to community-based organizations that support advocating as a unified voice for sound viral hepatitis policies at the state and local levels, demonstrate a strong interest in reducing viral hepatitis morbidity and mortality, and are involved in one or more of the following areas:

- Viral hepatitis education, information, and awareness
- Viral hepatitis research
- Viral hepatitis prevention, identification, medical management, or treatment

Associate Membership: CalHEP sponsors and individuals interested in reducing the impact of viral hepatitis qualify for associate membership to participate in all CalHEP activities but not vote to or sit on the Steering Committee.

For-profit companies and industry representatives may apply for associate membership.
